### **Good practices**

- Students are provided with individual guidance for obtaining qualifications, such as measures for improving scores in weak subjects as a strategy for the Certified Care Worker national exam, achieving a pass rate of 100% including international students. These initiatives are worthy of evaluation.
- Instruction is carried out in small classes or groups, enhancing educational effects and creating a system that facilitates the establishment of interpersonal relationships. These initiatives are worthy of evaluation.
- Through the regular convening of Board of Auditors and exchanges of opinions between auditors and accounting auditors, the college is seeking collaboration and vigorous communication between the auditors, accounting auditors and the Audit Office. This initiative is worthy of high evaluation.
- The establishment of a council of affiliated organizations and mutual evaluations conducted with the jointly established university serve as mechanisms through which the objectivity and appropriateness of self-inspection and evaluation are checked, and their efficacy improved. These initiatives are worthy of high evaluation.
