### Good practices

- As comprehensive learning making the most of the university's characteristics, the enthusiastic implementation of community and business-academia collaboration projects is worthy of high evaluation.
- As an arts university with a diversity of departments, the university is well-equipped with facilities and equipment specific to its specialization including a museum, arts theater, film studio, cinema, TV studio and multipurpose hall, etc. The way they are eagerly used by the students is worthy of high evaluation.

### Recommendations for improvement

- The fill rates of total capacity in the Faculty of Arts' Fine Arts Department, Photography Department, Art Planning Department, and Character Creative Arts Department are all over 130%, and improvements are required.
- Information on the self-inspection and evaluation of the teacher training course is not published in line with Article 22-8 of the Ordinance for Enforcement of the Education Personnel Certification Act, and improvements are required.
- As the exceeding of total capacity in certain departments and the inadequate provision of information on the self-inspection and evaluation of the teacher training course are problems in the function of the internal quality assurance system, improvements are required.
