Good practices

- Kio university has created “NEWS FD+”, newsletters including FD (Faculty Development) activities and off-campus FD information, and the information has been widely publicized on the website. In addition, Kio university has disseminated “Collection of Tips for Improving Classes” to both full-time and part-time faculty members. These initiatives are highly evaluated.

Recommendations for improvement

- In addition to educational and research goals, the university has clearly formulated objectives to foster personnel development in each of the faculties and departments, all of which are published on the university website. However, these objectives should be specified in the University Regulations, or its equivalent as stipulated by Article 2 of the Standards for the Establishment of Universities.
