Good practices

- Organizational activities regarding career guidance for occupations other than music are conducted throughout the year, contributing greatly to the improvement of multi-perspective career awareness among students. This initiative is worthy of evaluation.
- Consideration is given to making the university cafeteria menu cheap and nutritionally well-balanced in line with the Kunion Gohan (Food) Statement, and the level of student satisfaction is high. This initiative is worthy of evaluation.
- Kunitachi College of Music Library and Collection for Organology possess a rich collection of material in keeping with those of a specialist music university, and these collections are used in teaching and lectures aimed at the public. This initiative is worthy of evaluation.
- The modular system enabling students to select specialized modules according to their interest and achievement level contributes to their careers after graduation and is an initiative worthy of evaluation.
- The university conducts analyses based on various follow-up surveys targeting students after five and ten years after graduation and where graduates found job, such as the Kunitachi College of Music Graduate Questionnaire and the Student Interviews. This initiative is worthy of evaluation.
- The university conducts an internal control audit, and through appropriate implementation of supervision and administration throughout the entire account settlement process, the accuracy of financial statements and the strict observance of laws and regulation are assured. These initiatives are worthy of evaluation.
- Surveys are implemented concerning the impressions of the university, expectations and career path selections of even students who did not finally apply, and the way the university implements IR (institutional research) activities to put to use the results in student solicitation

and PR activities is worthy of evaluation.

Recommendations for improvement

- Although there are regulations regarding disciplinary action against students, the detailed procedures for them are not stipulated, and improvements are required.
