Good practices

- Information is relayed by the university to students through the “s4” information exchange tool, and it is also used for online lessons and seeking the opinions of students. Effective learning effects were assured even during the COVID-19 pandemic and wide-ranging communication is facilitated. These initiatives are worthy of evaluation.
- An assessment policy has been formulated, and methods for the inspection and evaluation of learning outcomes, based upon which inspection and evaluation are conducted. These initiatives are worthy of evaluation.

Recommendations for improvement

None.
